FIRST AID COURSES ACCEPTED FOR HFS 175.14 (5)(b) 1 & 2 WISCONSIN ADMINISTRATIVE CODE

The following courses are beyond a standard first aid course in content and scope. These may be used to achieve compliance with the requirements in Chapter HFS 175.14 (5)(b) 1 & 2, Wisconsin Administrative Code, regarding on-site health service staff. In addition to certification in any listed course, proof of certification in CPR (adult, child and infant) shall be provided.

All certifications shall be current:

1. American Red Cross Emergency Response Course
2. Emergency Medical Services-First Responder Course
3. Wilderness First Responders
4. American Red Cross Responding to Emergencies course or equivalent*
5. National Athletic Trainers Association

*Equivalent is determined by the Food Safety & Recreational Licensing Section
